MINUTES OF THE REGULAR MEETING OF THE BOARD OF COMMISSIONERS OF THE CHAMBERS COUNTY EMERGENCY SERVICES DISTRICT #1

A regular meeting of the Board of Commissioners of the Chambers County Emergency Services District No. 1 ("District") was called at 6:00 p.m. on the 14th day of March 2018, at the Winnie-Stowell Volunteer Fire Department ("Department" or WSVFD"), located at 825 State Highway 124, Winnie, Texas 77665, pursuant to notice duly posted according to law.

The roll was called of the members of the Board, to-wit:

David Murrell President
Brad Crone Vice President
Troy Dow Secretary
Chris Barrow Treasurer

Kenneth Thibodeaux Assistant Treasurer

All said Commissioners were present with the exception of Commissioner Crone. In addition to the above-named Commissioners, also present at the meeting were: Wayne Wilber, District Administrator; Melissa Sanders, Administrative Assistant for District; Hubert Oxford, IV-attorney for the District; Wade Thibodeaux with the Hometown Press.

President Murrell called the meeting to order at 6:01 p.m. and then asked those present to recite the Pledge of Allegiance. Afterwards, he called for public comment but since there was none, he asked the Board to address Agenda Item No. 4, to discuss approval of minutes for February 14, 2018 Regular Meeting. The Board reviewed the minutes and Commissioner Barrow made a motion to approve the minutes for February 14, 2018 Regular Meeting. Commissioner Dow seconded the motion, with the unanimous consent of all Commissioners present.

Next, President Murrell referred the Commissioners to discuss and take action, on the Treasurers Report; accounts payable; and amend the budget if necessary. Administrative Assistant Sanders reported that as of the meeting, the District had \$60,234.58 in its checking account which included a \$32,836.18 deposit on March 9, 2018 from the Texas Comptroller of Public Accounts. As for the monthly expenses, Administrative Assistant Sanders informed the Board that the total bills owed were \$45,389.05. Included in these invoices were: \$8,275.00 in legal fees for October through December of 2017; \$10,246.05 for repairs to Engine 21 and Tanker 21; \$9,403.00 in insurance premiums; and \$3,842.75 to the Department for contracted services. (*See* **Exhibit "A"**). After all bills were discussed and if all were approved to be paid, the Board was informed that the District would have \$13,610.61 after a payment of \$1,234.92 was paid on March 16, 2018 for EFTPS.

In regard to the District's savings accounts, the Assistant Administrator informed the Commissioners that as February 28, 2018, there was \$411,594.06 in the District's Money Market Account at ECCB Money Market and \$282,249.38 in the Texas First Bank Money Market Account. Overall, Mrs. Sanders reported that the District had total cash assets amounting to \$707,454.05. At the end of the presentation, Commissioner Dow made a motion to approve the Treasurer's Report and pay the outstanding invoices. *See* Exhibit "A". Commissioner Barrow seconded the motion and the motion was approved with the unanimous consent of all Commissioners present.

The Board was then asked to consider Agenda Item No. 6, to discuss and take action, if necessary, on purchasing fire or EMS equipment and/or supplies as well as any proposed repairs, maintenance and/or testing. Administrator Wilber reported that the fluids changes and repairs have been completed on all apparatus from Harvey floodwaters and the insurance coverage was sufficient to make those repairs less \$1,000.00 deductible. On February 25th, E-21 bumped into an eighteen (18) wheeler

with passenger side mirror, causing no damage to the eighteen (18) wheeler but broke E-21 mirror while maneuvering to MVA on I-10. Since then the mirror has been replaced. However, during the same incident, a black Nissan moved into the lane of travel of E-21 and incurred damage to Nissan's driver's side mirror. After the incident, DPS wrote accident report and the Trooper advised he will cite in his report that driver of the black Nissan failed to yield right of way to an emergency vehicle. Regardless, the owner of the Nissan insisted that the insurance information was exchanged. To date, the District has not heard from any insurance company concerning this incident. Administrator Wilber then advised that no action needed to be taken on this agenda item.

Moving to Agenda Item No. 7, President Murrell called on Administrator Wilber to discuss and take action, if necessary, on improvements to the existing station. According to the Administrator, there was no action to be taken on this agenda item but he did want to report that he been working the contractor to install or repair exterior lighting around the station.

Next, Administrator Wilber was asked by President Murrell to address Agenda Item No. 8, to discuss and take action, if needed, on obtaining Federal and State grants. Per the Administrator, the District FEMA Request for Public Assistance application was still in review process and the Project Manager was requesting a summary on all apparatus and operators during Hurricane Harvey even though the operators were volunteer without pay and the ESD is not requesting any reimbursements for their services. In addition, Administrator Wilber reported that FEMA now allowing mold remediation cost reimbursement for the removal of the wall paneling and the cost of the moldicide at a ninety percent (90%) level. Otherwise, no action was taken on this agenda item.

The final action item to be discussed was Agenda Item No. 9, to discuss and take action, if necessary, on repayment terms with the State Comptroller of Public Accounts for sales tax overpayment. The Administrator explained that the District received a letter from the Comptroller of Public Accounts stating that the District had been overpaid \$20,067.92 in local sales and use tax. (See Exhibit "B"). In response to questions on who overpaid, the Administrator informed the Board that he contacted with the Comptroller's office and was told they could not identify the taxpayer(s) that may have overpaid. Further, Mr. Wilber explained to the Board that the District was given two payment options. The first was to have the monthly sales tax reduced by \$529.00 for thirty-seven (37) months and then \$494.92 on the thirty-eighth (38) month. The second option was to pay a lump sum payment of the balance owed less 2% (i.e., \$20,067.92) minus \$401.36, or \$19,665.56). After considering the options, a motion was made by Commissioner Barrow to accept the monthly option of reduced payment of \$529.00 for thirty-seven (37) month and \$494.92 on the thirty-eighth (38) month. This motion was seconded by Commissioner Dow and unanimously approved by all the Commissioners present.

At the completion of the action items, Administrator Wilber provided the administration and operations report as called for in Agenda Item No. 10. Administrator Wilber informed the Board that the items on his report set forth as **Exhibit** "C" had previously been discussed during the meeting. In addition to the report on repairs to the engines, the incident on IH-10, and the FEMA requests, Administrator Wilber informed the Board that the emergency driving course was cancelled but will be rescheduled and Brandon Lee had finished the Department's First Responder Organization license renewal and submitted the application to the Texas Department of Health and Human

Services. Likewise, Administrator Wilber reported that as part of the license, Dr. Dar Kavouspar was designated as the Department's medical director and has implemented protocols covering the District's volunteers and certified medical personnel. (*See Exhibit "C"*). After the Administrator's report, the Administrator Wilber and Assistant Administrator Sanders presented the Board with the Station Attendant's report for February 2018. In February 2018, the attendants worked a total of ninety-one (91) shifts totaling of 470 shifts for the year. (*See Exhibit "D"*). Year to date, the total spent on station's attendants was \$22,076.36 which equates to forty-seven percent (47%) of the budget for station attendants. In conclusion, Administrator Wilber reported that once again, he was not given a Chief's report for January 2018, February 2018, or March 2018 and would request these reports be discussed at the April 2018 meeting along with the missing reports.

There being no further business, President Murrell called informed the Commissioners that the next meeting would take place on April 11, 2018 at 6:00 p.m. and then called for a motion to adjourn the meeting at 6:22 p.m. Commissioner Thibodeaux then made motion to adjourn. This motion was seconded by Commissioner Dow, with the unanimous consent of all the Commissioners.

Treasurer Chambers County Emergency Services District No. 1 821 State Highway 124 Winnie, TX 77665-7801

Dear Treasurer:

This letter is to notify you that the Chambers County Emergency Services District No. 1 has been overpaid \$20,067.92 in local sales and use taxes. The overpayment was the result of a taxpayer that filed a refund claim for taxes they paid to their vendors in error. This claim has been verified as a valid refund based on exemptions allowed under local sales tax statutes and documentation provided by the taxpayer. Since this amount has been refunded to the taxpayer, it must now be repaid to the State.

The options to repay the erroneous amount are as follows:

□ 1)	Full reimbursement by one time check*,
□ 2)	Apply all monthly collections to the overpaid amount until the amount has been repaid, or
□ 3)	Enter into a 38 - month payback agreement where a monthly deduction of \$529.00 will be
ŕ	deducted for 37 months with a final deduction of \$494.92. This deduction would start the month after we receive your response or two months after the date of our letter if we do not receive a response. Additionally, future significant audit or onetime payments may be applied toward the repayment amount to reduce the length of the payback and notifications of those applications
	will be sent.

No fees of any type will be assessed on the payback amount.

If you choose option 1, "full reimbursement by one time check," the payback amount should be adjusted by the 2% service fee. Multiply the payback amount by 2% (.02); subtract the 2% amount from the payback amount, then pay the adjusted amount.

Please mark an X in the applicable box above for the option you wish to choose, have a special purpose district official sign at the bottom, and return this letter using the enclosed self- addressed envelope.

If you have any questions or need additional information, you may call me toll free at (800) 531-5441, ext. 50550. My mailing address is PO Box 13528, Austin, TX, 78711, the FAX number is (512) 475-1523 or my email is shirley.kaatz@cpa.texas.gov.

Sincerely,

Shirley Kaatz

ADMINISTRATOR REPORT

MARCH 14, 2018

Apparatus and Vehicles: Fluids changes and repairs have been completed on all apparatus from Harvey floodwaters. Insurance coverage was sufficient to make those repairs less \$1000 deductible. On February 25th, E-21 bumped an 18 wheeler with passenger side mirror, causing no damage to the 18 wheeler but broke E-21 mirror while maneuvering to MVA on I-10. Mirror has been replaced. On same incident, a black Nissan moving over in the lane of travel of E-21 incurred damage to driver's side mirror. After incident, DPS wrote accident report, Trooper advised he will cite in his report that driver of the black Nissan failed to yield right of way to an emergency vehicle. Insurance information was exchanged but District has not heard from any insurance company on this incident.

ESD: FEMA Request for Public Assistance application still in CRC process. Project Manager now requesting FAL summary on all apparatus and operators during Hurricane Harvey though the operators were volunteer without pay and the ESD is not requesting any reimbursements for their services. FEMA now allowing mold remediation cost reimbursement for the removal of the wall paneling and the cost of the moldicide at 90% level.

Fire Dept: Emergency driving safety class was cancelled, rescheduling date not set.

Captain Brandon Lee has completed and submitted the First Responder Organization license renewal for Winnie-Stowell VFD to the Texas Department of State Health Services. Dr. Kavouspour is the new medical director and has implemented more aggressive protocols covering WSVFD volunteers and CCESD certified medical personnel.
